CU*NorthWest to Host 2nd Leadership Conference

Spokane, WA – July 20th, 2010

The data processing CUSO CU*NorthWest, recently announced it will host its second annual Leadership Conference and Education Event in Coeur d'Alene Idaho, August 2010.

The event is focused on updating clients and stockholders on the activities of the CUSO for the prior year and forecasting the activities of CU*NorthWest for the coming year.

Also included in the event are updates on product enhancements planned for its core processing solution CU*BASE, updates on the cuasterisk.com network activity and reports to stockholders on financial performance of the CUSO.

Up until last year, CU*NorthWest clients and owners participated in the Annual Leadership Conference with partner CUSO CU*Answers. "The week of August 23rd will be a full week for our CUSO as we host this important annual event," said Greg Smith, CEO of CU*NorthWest. He went on to say, "Our continued growth and success is something that our owners are very proud of and this annual event is a chance to take a breath and reflect on where we came from and where we are going in the future".

CU*NorthWest runs on a fiscal year from October through September and this event is timed to coincide with annual board planning sessions for budgeting and business planning for 2011.

About CU*NorthWest

CU*NorthWest was founded in 2005 and is a 100% credit union-owned CUSO located in Liberty Lake, Washington. CU*NorthWest offers a wide variety of services for credit unions including its flagship CU*BASE processing system in both an online (ASP) and in-house environment, and Internet development services featuring the **It's Me 247** online banking product. Additional services include web site development, network design and security, bookkeeping services, and a complete eDocument solution. CU*NorthWest provides expertise in implementing technical solutions to operational needs, and helps credit unions form strategic alliances and partnerships.
